

Dino finds a map

There is a big stone next to Dino.
Suddenly the big stone starts to move.
The stone is not a stone. It's a turtle!
And a crocodile comes closer and closer.

Jennie: Dino! Watch out!

Jack: Look behind you!

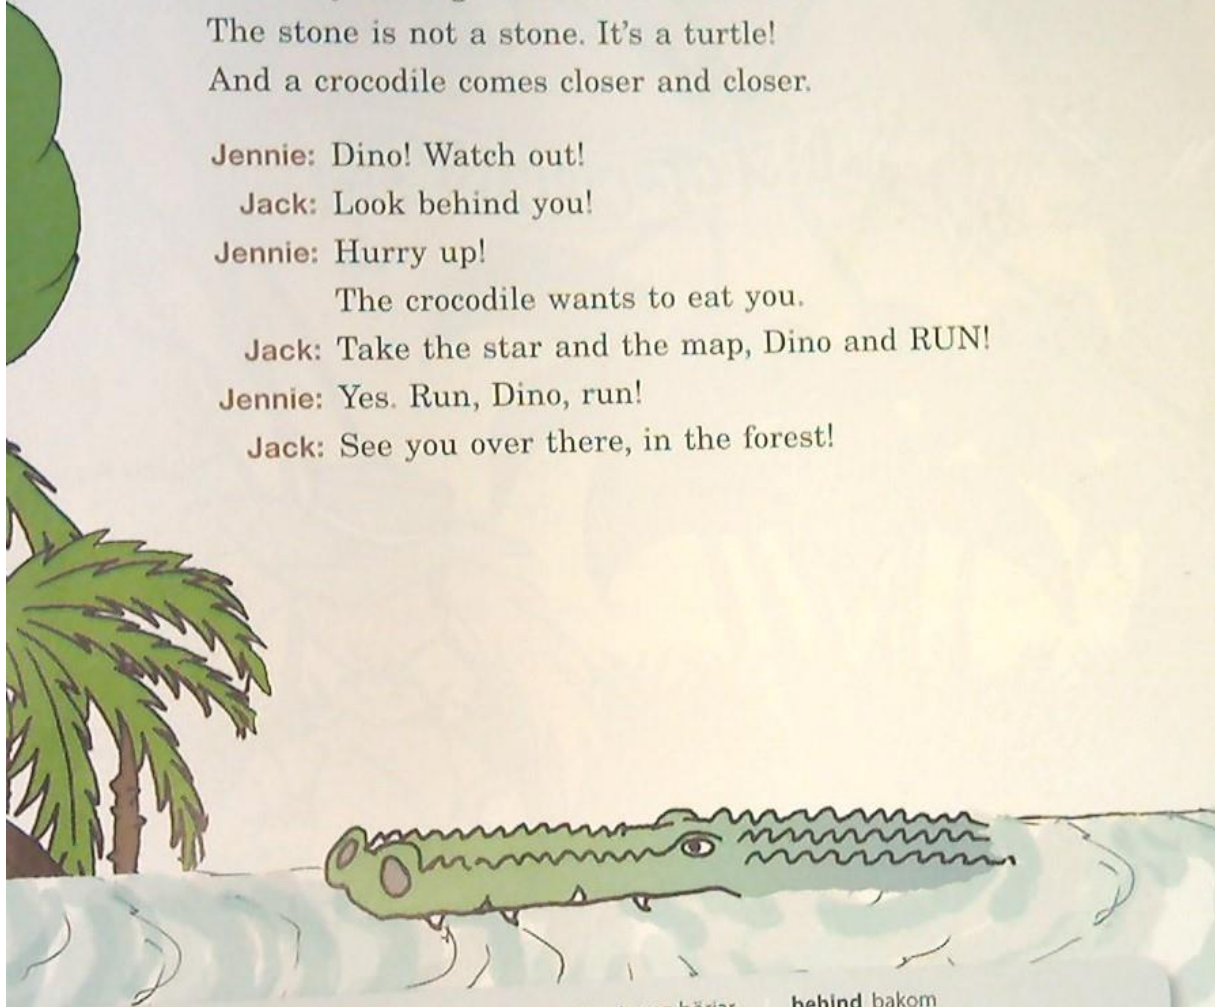

Jennie: Hurry up!

The crocodile wants to eat you.

Jack: Take the star and the map, Dino and RUN!

Jennie: Yes. Run, Dino, run!

Jack: See you over there, in the forest!
